Note: The Latin America and Caribbean (LAC) region includes 42 countries (all income levels), as classified by The World Bank Group. Guatemala is an upper middle income (UMC) country, which includes 55 countries with a Gross National Income (GNI) per capita from \$4,096 to \$12,695 (calculated using the World Bank Atlas method). Data and definitions can be found on the [Gender Data Portal](#).

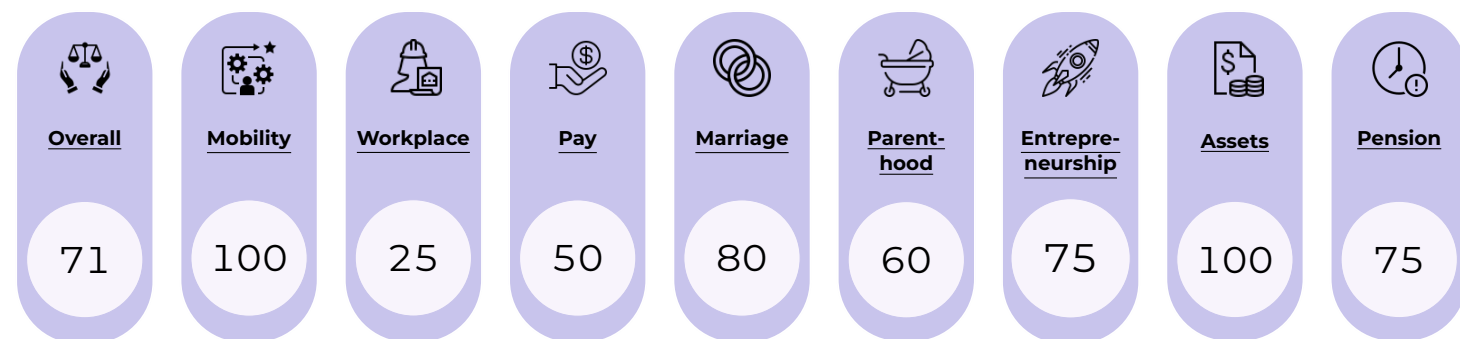

Country Baseline provides a reference from 1990 to 2010. Latest Value shows the latest available comparison from 2011 onwards. The arrow icon represents country increases or decreases over 10 percent relative to the base year. Peer comparisons show how Guatemala performs relative to the region, income group, and the world. Lighter and darker shades represent values 10 percent above and below regional peer values, respectively.

GUATEMALA GENDER LANDSCAPE

Women, Business and the Law in Guatemala

Women, Business and the Law (WBL) 2022 presents an index covering 190 economies, structured around the life cycle of a working woman. In total, 35 questions are scored across eight indicators. **Guatemala scores 71 out of 100**, while the regional average across Latin America and Caribbean is 80.

A Closer Look at Gender Equality in Guatemala

Despite some progress, gender gaps, gender-based violence, and disadvantageous social norms facing women and girls persist, and gains in human capital of women and girls remain untapped. Turning human capital investments into economic gains means addressing multiple barriers to women's economic empowerment, including improving their voice and agency.
