A Closer Look at Gender Equality in Antigua and Barbuda

Human Capital Index Score (0-1)

Baseline compared to 2020

Despite some progress, gender gaps, gender-based violence, and disadvantageous social norms facing women and girls persist, and gains in human capital of women and girls remain untapped. Turning human capital investments into economic gains means addressing multiple barriers to women's economic empowerment, including improving their voice and agency.

Change in Female Labor Force Participation 2010-2020 (p.p.)
